The SmartConnect Process

SmartConnect* is an exclusive program created specifically for working or retiring adults (and family members) who are Medicare-eligible and may not have fully explored the benefits of Medicare coverage. Here's what concierge service from SmartMatch looks like:

Connect

First, we get to know you. We'll ask you some questions about your health insurance needs and preferences so we can head down the right path.

Educate

The next step is to ensure you feel confident about the details that could impact your enrollment, costs, and coverage.

Evaluate

Then, we'll provide you with the plan and carrier options available to you.

Enroll

While our services are obligation-free, if you find something you like and you're ready to take action, we can enroll you on the spot.

Support

We have a team who is dedicated to your Medicare experience. They're available to answer questions, conduct policy reviews, and even help you work with the carrier when necessary.

*This program is not available in Alaska and Hawaii.

Whether you're familiar with Medicare or just starting out, we're here to guide you confidently through your options.
